Brand Asset: 3D Holographic Transparent PNG Logo	Facebook: facebook.com/share/1HJMdQw8su/

2. Technical Architecture: 3D Visual FX & Autonomous AI

INTERACTIVE WEBGL & MOTION
A. Three.js 3D UI & "Hilta-Dulta 3D Visual FX"
- Interactive 3D Globe: Mouse drag/hover par rotating 3D globe jo global business hubs highlight karta hai. - Floating Metallic 3D Logo: Metallic glass tilt/glare effect ke sath floating brand identity. - Neural Particle Canvas: Cursor movement par emit hone wale glowing AI particle network connections.
AUTONOMOUS AI ENGINE
B. AI Multi-Lingual Auto-Chatbot & Real-Time Outbound AI Voice Agent
24/7 Smart Auto-Reply Chatbot: Instant customer inquiries, pricing, aur service queries handled autonomously. - Outbound AI Voice Call Agent: Website request par human-like voice me real-time call karke clients se deal discuss aur pitch karta hai.

3. Geo-IP Personalization, Global Fintech & Enterprise Operations

A. Country-Based Auto Switcher & Global Fintech
- Auto Geo-IP Detection: Visitor ki country ke aadhar par local currency (\$ / ₹ / € / £ / AED / SAR) aur local language (Hindi, English, Arabic, Spanish, French, German) instant switch. - Payment Integration: Stripe, PayPal, Cashfree (UPI/Cards), ACH Direct Wire, with auto-generated GST/VAT PDF Invoices.
B. Enterprise Sales, Support & Health Infrastructure
1-Click AI Proposals & E-Sign: Dynamic custom quotation with e-signature legal contract execution on-screen. - Client Dashboard & Help Desk: Real-time project tracking, code commits, and 24/7 support ticketing portal. - Global Partner Affiliate Program: Automated 10-20% commission tracking for referral partners. - Server Status & Edge Security: status.arbglobal.ai live uptime monitoring, 256-Bit SSL, GDPR Hub, Cloudflare DDOS Protection.
