2. Interactive 3D UI/UX & Motion Experience ("Hilta-Dulta Web UI")

THREE.JS & WEBGL A. 3D Floating Mesh & Parallax Motion Interactive 3D Globe & Nodes: Cursor hover aur mouse drag karne par 3D Globe rotate hoga aur global client hubs display karega. Floating 3D Glass PNG Logo: Company ka logo screen par floating 3D badge ke roop me halke motion (hovering effect) ke sath tilt aur shine karega. Interactive Neural Background: Mouse touch par react karne wale AI network particles.

3. Autonomous AI Systems (Voice Call Agent & Smart Auto-Reply)

REAL AI AGENTS A. AI Smart Chatbot & Real-Time AI Voice Call Bot Real AI Auto-Reply Chatbot: Client ke kisi bhi question ("Website kitne me banegi?", "Kyo hum ARB Global se banwayein?") ka accurate Hindi/English answer dega. Outbound AI Voice Call Agent: Website par "Request Instant AI Voice Call" widget. Client ka number aate hi AI Insaan jaisi aawaz me client ko call karega aur samjhaega ki ARB Global unke business ke liye kyo best hai.
--

4. Newly Added Missing Features (Advance Growth & Trust Tools)

NATIVE CALENDAR & LEAD CAPTURE A. Instant Meeting Scheduler (Calendly / Custom AI Slot Booking) - Client direct website par date aur local time-zone ke hisab se Discovery Call book kar sakega. - Meeting book hote hi Client aur Abodh Raj Bhar ko Google Meet / Zoom link WhatsApp aur Gmail par chala jayega.
DYNAMIC PRICING & ESTIMATOR B. Interactive Cost & Timeline Calculator - Client apni requirement (e.g. "3D Web + AI Voice Agent") select karega aur website instant estimated cost (\$ / ₹) aur delivery timeline generate kar degi. - Client wahi se direct Cashfree (India) ya ACH (Global) se deposit pay kar sakega.
PORTFOLIO & LIVE DEMOS C. Live Interactive Demo Zone & Case Studies Arbitrary static screenshots ke bajaye direct live working web templates aur AI Bot demos target client ke liye embed rahenge.

D. Global Security Badges & Legal Hub

- SSL 256-bit Encryption, GDPR Compliance Banner, Terms of Service, aur Privacy Policy for global trust.

5. Complete Master Page Architecture

Page / Element	Features & Interactive Capabilities	Impact & Conversion Goal
Header Navigation	3D Logo, WhatsApp Quick Chat Button, Social Icons, Currency Toggle (\$ / ₹ / €).	Instant social proof and quick contact access.
Hero Section	3D Rotating Globe Mesh, Headline, "Request Instant AI Voice Call" Button, "Estimate Website Cost" Button.	Immediate lead capture & global authority demonstration.
Why Choose Us?	Interactive 3D Flipping Cards: High Speed, 3D FX, AI Voice Agent Integration, 24/7 Global Support.	Pitching ARB Global's superiority over basic static web developers.
Cost Calculator	Interactive slider for feature selection, real-time price quote generation.	Transparent pricing and instant deposit checkout.
Payment Hub	Cashfree Gateway (UPI, Cards for India) & ACH Account Transfer / Wire (Global). Auto PDF Invoice generation.	Seamless local & international monetary transactions.
Feedback & Rating	Verified Client 5-Star Rating submission, live video/text testimonial carousel.	Maximum trust building for new international leads.
